

July 24, 2024

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, I decided to relocate my practice from ARC Medical Plaza Specialty in Cedar Park to ARC Far West Medical Tower, located at 6811 Austin Center Blvd, Suite 300, Austin, TX 78731.

- **Friday, June 28, 2024**, was my last day seeing patients at ARC Medical Plaza Specialty.
- **Monday, July 01, 2024**, was my first day seeing patients at ARC Far West Medical Tower.

It is very important to me that your health care is not interrupted by this transition and that you maintain continuous care. Our electronic medical record system ensures that both my notes and your medical records will be accessible at my new ARC Far West Medical Tower location.

For your convenience, you can schedule your next Ear, Nose, and Throat (ENT) appointment with me by calling **ARC Far West Medical Tower** at **512-346-8888** and pressing “1” to speak with a scheduler, Monday - Friday, 7:30am - 5:00pm.

If you do not plan to continue seeing me at my new ARC Far West Medical Tower location, I am happy to recommend my ENT colleagues at ARC Medical Plaza Specialty who would be glad to welcome you into their practice:

- Achal R. Dhruva, MD
- Gretta LaCouture, PA (*starting 9/26*)

If you would like any additional help, please call **512-ARC-INFO (512-272-4636)** and press “6” or visit ARCentdoctor.com to learn more about our ENT department.

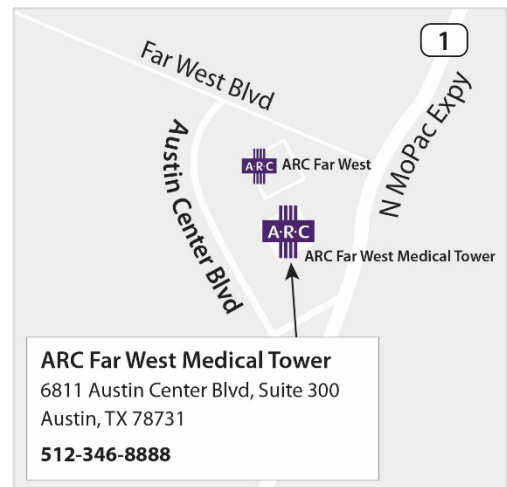

I am truly grateful to you for entrusting me with your health and I hope to see you at my new **ARC Far West Medical Tower** location.

Sincerely,

Alison Kartush, MD
