

August 23, 2024

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. Starting September 9, 2024, I will no longer see patients at ARC Kyle Plum Creek but will continue seeing patients at my other location, ARC South 1st Specialty and Pediatrics, located at 3816 South 1st Street, Austin, TX 78704.

- **Friday, September 6, 2024**, will be my last day seeing patients at ARC Kyle Plum Creek.

It is very important to me that your health care is not interrupted by this transition and that you maintain continuous care. Our electronic medical record system ensures that both my notes and your medical records are accessible from any Austin Regional Clinic (ARC) location.

I will be happy to continue your care at ARC South 1st Specialty and Pediatrics and you can continue receiving your allergy shots at ARC Kyle Plum Creek.

For your convenience, you can schedule your next appointment with me by calling **ARC South 1st Specialty and Pediatrics** at **512-443-1311** and pressing “1” to speak with a scheduler, Mon - Fri, 8:00am - 5:00pm.

If you would like additional help, please call **512-ARC-INFO (512-272-4636)** and press “6” or visit **ARCallergy.com** to learn more about our allergy department.

I am truly grateful to you for entrusting me with your health and I look forward to seeing you at my ARC South 1st Specialty and Pediatrics location.

Sincerely,

Alexander J. Alvarez, MD, FAAAAI, FAAAAI
