

January 28, 2025

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, **Nathan W. Anderson, MD** has decided to transition his career outside of Austin Regional Clinic (ARC) to pursue other opportunities. This comes with mixed emotions since ARC quickly became his professional home.

- **Tuesday, April 15, 2025, will be Dr. Anderson's last day seeing patients at ARC Bastrop.**

Please disregard this letter if you are not a regular patient of his, your care at ARC will not change.

It is very important to ARC that you maintain continuous health care. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that both his notes and your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. We have complete trust that Dr. Anderson's colleagues are more than happy to welcome you to their practice and will take excellent care of your health.
