

February 19, 2025

Dear Parent or Guardian,

I hope this letter finds you and your family in good health. You are receiving this communication because our records indicate that your child had a same day/urgent care/well child visit with me.

After much thought and careful consideration, I have decided to pursue other opportunities and therefore will no longer be seeing patients at Austin Regional Clinic (ARC). This comes with mixed emotions since ARC quickly became my professional home. I want to assure you that my departure will not impact or change your child’s pediatric care at ARC.

- **My last day seeing patients at ARC will be Tuesday, March 25, 2025.**

It is very important to me that your child maintains continuous health care. All medical records from visits with me will remain at ARC. Our electronic medical record system allows your child’s records to be accessed from any ARC location and ensures that all my notes and all your child’s medical records will be available for their future care.

Thank you for entrusting us with your child’s health and allowing me to care for them.

Sincerely,

Ashley C. McClary, MD, MPH, FAAP
