Dear Patient,

We hope this letter finds you in good health. We are writing to let you know we are relocating our practices from ARC Far West Medical Tower to ARC Seton Northwest, located at 11111 Research Boulevard, Suite 475, Austin, TX 78759.

- **Friday, January 31, 2025**, will be our **last day** seeing patients at **ARC Far West Medical Tower**.
- **Monday, February 3, 2025**, will be our **first day** seeing patients at **ARC Seton Northwest**.

It is very important to us, as well as ARC, that your health care is not interrupted by this transition. Our electronic medical record system allows your records to be accessed from any ARC location and ensures that both our notes and your medical records will be available for your future care at our new location.

For your convenience, you can schedule your next gynecology appointment in one of the following ways:

- Schedule directly at **MyChartARC.com**, or on the MyChart app if you have an ARC MyChart account and choose the Ob/Gyn tile to schedule most gynecology appointments online.
- Click **BOOK NOW** at **ARCgyn.com** to schedule your next annual exam.
- Call ARC Seton Northwest at **512-338-8181**, and press **“1”** to speak with a scheduler, Monday - Friday, 8:00am - 5:00pm, for all other gynecology appointments.

Call **512-ARC-INFO (512-272-4636)** and press **“6”** for additional guidance, or you can also read about our gynecology doctors at **ARCgyn.com**.

We are truly grateful to you for entrusting us with your health and we look forward to seeing you at our new **ARC Seton Northwest** location.

Sincerely,

Guy V. Blumhagen, MD
