Dear Patient,

I hope this letter finds you in good health. You are receiving this communication because our records indicate that you had a same-day/urgent care visit sometime in the last two years with Janet N. Jewell, MD.

After much thought and consideration, Dr. Jewell decided to retire from her practice of family medicine and therefore will no longer be seeing patients at ARC. While we are sad to be losing her as a physician after 32 years of dedicated patient care, we are happy for her as she starts this new chapter of her life.

- **Dr. Jewell's last day as an on-call physician at ARC was Friday, June 28, 2024.**

Per Texas Medical Board rules, we are required to inform you of her departure from ARC.

It is very important to us that you maintain continuous health care and we want to assure you that her departure will not impact or change your regular doctor and care at ARC. ARC's electronic medical record system allows your medical records to be accessible from any ARC location and ensures that both your doctors' notes and all your medical records will be available for your continued care.

We thank you for entrusting us with your health.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Manish M. Naik'.

**Manish M. Naik, MD**
