

April 17, 2025

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, I have decided to transition my career outside of Austin Regional Clinic (ARC) as I will be moving out of state. This comes with mixed emotions since ARC quickly became my professional home.

- **Wednesday, May 21, 2025, will be my last day seeing patients at ARC Northwest Hills Specialty.**

Please disregard this letter if you were not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as ARC that you maintain continuous health care. ARC’s electronic medical record system allows your records to be accessed from any ARC location and ensures that both my notes and your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other’s patients. I have complete trust that my colleagues are more than happy to welcome you to their practice and will take excellent care of your health. **I recommend the following gastroenterologists and advanced practice clinician (APC) at ARC Northwest Hills Specialty:**

- Yasir Al-Abboodi, MD
- Enrique Spindel, MD
- Sujaata R. Dwadasi, MD
- Laurel D. Sunde, APRN, FNP-C, RNFA

I also recommend the following gastroenterologist at **ARC Medical Plaza Specialty:**

- Weiwei Cao, MD, PhD
