Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, **Rita Chukwurah, DNP, APRN, FNP-BC** has decided to transition outside of Austin Regional Clinic (ARC) to pursue other career opportunities.

- **Thursday, August 29, 2024**, was Rita’s last day seeing patients at ARC Kelly Lane.

Please disregard this letter if you were not a regular patient of hers, your care at ARC will not change.

It is very important to ARC that you maintain continuous health care. ARC’s electronic medical record system allows your records to be accessed from any ARC location and ensures that both her notes and your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other’s patients. We have complete trust that Rita’s colleagues are more than happy to welcome you to their practice and will take excellent care of your health.

**We recommend these family medicine (FM) and internal medicine (IM) physicians and advanced practice clinicians (APCs) at the following ARC locations:**
