Dear Patient,

I hope this letter finds you in good health. After much thought and careful consideration, I have decided to transition my career outside of Austin Regional Clinic (ARC) as I will be moving out of state. I have been a same-day/urgent care doctor at ARC Cedar Park Building C for the last three years, and my last day seeing patients at ARC will be **Friday, June 28, 2024**.

Our records indicate that you had an urgent care visit with me sometime in the last two years and I want you to know that my departure will not impact or change your regular doctor and care at ARC.

It is very important to me that you maintain continuous health care, so be assured that your medical records from any visits with me will remain with ARC. Our electronic medical record system allows your records to be accessed from any ARC location and ensures that both my notes and your medical records will be available for your continued care.

Thank you for entrusting me with your health.

Sincerely,

Sandeep Bodige, DO
