Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, **Kaila A. Smith, APRN, FNP-C** decided to transition her career outside of Austin Regional Clinic (ARC) to pursue other career opportunities.

- **Thursday, August 29, 2024**, was Kaila’s last day seeing patients at ARC South Ob/Gyn and ARC Bastrop.

Please disregard this letter if you were not a regular patient of hers, your care at ARC will not change.

It is very important to ARC that you maintain continuous health care. Our electronic medical record system allows your records to be accessed from any ARC location and ensures that both her notes and your medical records will be available for your future care.

At ARC, it is our standard that we support our partners and take care of each other’s patients. We have complete trust that Kaila’s colleagues are more than happy to welcome you to their practice and will take excellent care of your health. **We recommend the following ob/gyn physicians and advanced practice clinicians (APCs) at ARC South Ob/Gyn:**
